

# A Seven Minute Agenda for the Transformation of the “Mobile Internet” to the “Internet of Things” to the “Internet of Persons”

Prof. Dr. Viola Schmid, LL.M. (Harvard)  
Technical University Darmstadt  
Germany

# Agenda

1. In the near or far future, the “mobile Internet” will become the “Internet of Things” and the “Internet of Persons”
2. In “RFID” Law we might establish a Legal Duty to Information Furthering Control of Citizens
3. In “RFID” Law we might establish a Legal Right to Silence
4. Cyberlaw needs Multinational Harmonization and a Global Perspective
5. The motto has to be: “As Little Law as Possible; as Much Law as Necessary”
